Tournament registration and tournament set-up will start at 9:00 AM. Seating will be assigned by random card drawing. Play will start promptly at 9:30 AM or as soon as everyone is seated and instructions/announcements are completed. Tournament play of 18 games will be governed by ACC rules. Participants are expected to complete a game in about 15 to 20 minutes maximum. If a player typically takes 5 minutes longer to play a game than other participants, lunch will be delayed by about 45 minutes for everyone and the tournament will complete about an hour and a half behind schedule. Also an odd number of players will create a need to play ten games before lunch break so that those that who have had a sit out will have completed nine games. At the end of the tournament, players still needing an 18th game will play each other in seating order. Thank you for doing your best to comply so that we can finish in a timely manner.
