18 Game Grass Roots Regional Tournament

Players must be able to play a game within 15 minutes. Shorter games will be decided on a case-by-case basis, but we are expecting roughly 6 hours of game play.

Start time is noon, however the doors to the venue won't open until noon, so we will start as close to noon as possible. Time permitting there will be a short break between games 9 and 10. No outside food or drinks allowed, this includes water bottles. The venue does serve drinks as well as food, bar style menu. This is a bar and will have other customers watching football throughout the day. We play in the middle of all the action, so this is not the quietest of venues. Throw on a football jersey and root for your team as well.

\$40 entry fee with the following breakdown. \$20 to GR for the regional entry fee. \$10 towards top 18 game cards, \$5 to the first 9 games, and \$5 to the last 9 games.

Optional side pools available, \$10 whiteboard and \$20 Henry Pool. If you wish to enter unofficially the GR fee is \$8 instead of \$20. The Henry Pool is winner take all.

The SBC Cribbage Club is a newish charter, and we have enough boards to accommodate 26 players. If you are joining us from out of town, and you are bringing a crew with you, please contact Joe to see if we may need to borrow some boards from a nearby club. All players must have a current ACC membership. ACC registration will be available on site with annual dues of \$30.
